Tri-County Animal Rescue is a 100% no-kill, nonprofit animal rescue center that to date has rescued more than 90,000 animals in distress, many of whom would otherwise be euthanized. The organization provides a haven until each rescue is given the opportunity to live the rest of their lives as treasured pets. Tri-County Animal Rescue's compassion for homeless and discarded animals knows no bounds and is embraced by the credo, "Rescue is our mission. Rehabilitation is our pledge and Re-home is our purpose."
